Earl Nightingale said "All you need is the plan, the road map, and the courage to press on to your destination." With the thought of Lighting the tomorrow with today United Group of Institutions quintessentially has always opened newfangled doors for the students, faculty and staff in terms of the opportunities in fresh traditions.

New Year comes with new strength, new ventures, new thoughts and we are really proud and high-spirited to approbate that we are ready with all new hopes and hues to bring in this edition of "The Unitian". United group has been a step towards the inculcation of passion for creative thinking amongst the students. This Issue is going to surely unfurl the unravelled package of the most unforgettable and precious moments of the last few months.

The issue is to be viewed as a plethora of events defining the axiomatic performance of the Unitians. The newsletter continues to expand its reach to attain its vision of being a truly representative platform. The journey started with the global exposure of the students through the education tour to AIT Bangkok; along with lavish welcome of the Freshers who joined the United Family this year.

This issue covers the vivacious events such as Founder's day, AKTU Art and cultural fest, TEDxNainiWomen etc. The issue also highlights the achievements of the campus encompassing the Mega Placements in Infosys, Wipro Elite, TCS, Byjus, HCL, Genpact, etc; along with various Industry Academe Interactions and Faculty as well as Student Achievements which contribute with a huge magnitude to the all round development of the individual.

We would like to thank all the heads of the institutions for their consistent commitment and support. We also acknowledge the positive and creative energy of the contributors and the members of the editorial who have responded to our calls and penned their ideas for making UNITIAN successful and alive.

From the entire team of Unitian We wish all the readers a happy reading!
