

Technical Quiz

Faculty conduct technical quizzes in their respective subjects which will improve the quality of student learning. A tool called quizizz is being used to conduct such type of quizzes. By using <https://quizizz.com/admin>

Link for Quiz: <https://quizizz.com/admin/my-library/createdByMe>

The image displays two screenshots of the Quizizz admin interface. The top screenshot shows the 'My library' page, and the bottom screenshot shows the 'Reports' page.

My library page: The page shows a list of quizzes created by the user. The quizzes are:

- Practice Set 1 (10 Questions, University, Computers)
- Keyboard Shortcuts (10 Questions, 12th Grade, Computers)
- Microsoft Outlook Questions (20 Questions, Professional Development, Computers)
- Excel Functions and Formulas basics (20 Questions, Professional Development, Computers)
- Network Security Devices (10 Questions, Professional Development, Instructional Technology)

Reports page: The page shows a table of quiz reports with the following columns: Type, Quiz Name, Total Participants, Accuracy, Code, Class, and Actions.

Type	Quiz Name	Total Participants	Accuracy	Code	Class	Actions
